

Praktikum 1 Visual

Tipe: Terbimbing

Buatlah sebuah GUI dengan tampilan di bawah ini. Ketika tombol “OK” ditekan, muncul Option Pane seperti yang ditampilkan berikut.

The screenshot shows a Java Swing window titled "Form Daftar". Inside the window, there is a registration form with two input fields: "Nama" (containing "Husni") and "Peminatan" (a dropdown menu showing "MCC"). To the right of these fields is an "OK" button. Below the input fields is a table with two columns: "Nama" and "Peminatan". The table contains two rows of data: "nama1" and "peminatan1" in the first row, and "nama2" and "peminatan2" in the second row. In the center of the window, a "Message" dialog box is displayed. The dialog box has a title bar with a close button and an information icon. The message text inside the dialog reads "Nama: Husni" and "Peminatan: MCC". There is an "OK" button at the bottom of the dialog box.

Nama	Peminatan
nama1	peminatan1
nama2	peminatan2

Message

Nama: Husni
Peminatan: MCC

OK

Tipe: Terbimbing

Berdasarkan GUI yang sudah dibuat di atas, modifikasilah tampilan dengan bentuk sebagai berikut:

The screenshot shows a Java Swing window titled "Form Daftar". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. Inside the window, there is a form with two input fields: "Nama" and "Peminatan". The "Peminatan" field is a dropdown menu currently showing "SDV". To the right of the dropdown is an "OK" button. Below the input fields is a table with two columns: "Nama" and "Peminatan". The table contains one row with the values "nama1" and "peminatan1". At the bottom of the window is a "Hapus" button.

Nama	Peminatan
nama1	peminatan1

Setelah menekan OK, data akan masuk ke tabel. Setelah hapus ditekan, maka tabel terpilih akan dihapus.
